

Stanford Immunology Preview

FRIDAY, OCTOBER 4, 2024
VIA ZOOM | 1:00-4:00 PM PT

An open house event for prospective PhD students, designed to facilitate the application process to the Immunology PhD program

Workshop:

- Scientific discoveries by faculty and trainees
- Panel discussion by current Ph.D. students
- Application and admissions process demystified
- Diversity, equity, and inclusion at Stanford Immunology
- How to receive one-on-one feedback on personal statement (Introduction to the SIRPA program)

Eligibility:

- Prospective PhD students applying Autumn 2024
- Interested in the Immunology PhD program at Stanford
- International students are welcome

Register at <https://bit.ly/stanfordimmpreview24>

All applicants are welcome to participate. We especially encourage students with the potential to enhance diversity (broadly defined) in the Immunology field.
